

“ The Adventurer” Sample Itinerary:

Lake Rabun and Lake Burton are two of the most majestic lakes in all of the Southeastern United States. In order to enjoy time on either one of the lakes, we recommend renting a pontoon boat, canoe, or kayak.

If you are looking to enjoy time out on Lake Rabun, we recommend Hall’s Boathouse or Bear Gap Outfitters. For Lake Burton, contact Anchorage Marina. (for contact information see Boat Rentals). Be sure to make your plans as early as possible!

On your second full day, discover the wild and scenic Chattooga River! Book a whitewater-rafting trip (see above under “white water rafting” for recommendations). You can book both full and half days and pick between sections II and III. Section II of the river is for novice rafters while section III is a little more challenging.
