

### **“Libation Celebration” Sample Itinerary:**

After you check-in, you can start at the Currahee Brewing Company, located within walking distance of the inn. If you’re feeling peckish, stop by Shenanigans Food Truck (just beside the brewery). Before you come back to the inn, swing over to Noble Wine Tasting Room (also located within walking distance of the inn in downtown Clayton). Noble Winery has several varietals from all over Northeast Georgia.

On your second day, after finishing your gourmet breakfast at the inn, be sure to head over to Tiger Mountain Vineyard. The most unique detail about this particular boutique vineyard, is that all of the wines are cultivated right here in Northeast Georgia!

After a delicious tasting, travel back to downtown Clayton and enjoy some casual fare at the Universal Joint. We highly recommend sitting on the expansive patio and ordering the famous “Steinbeck’s” burger.

Once you are finished with lunch, head over to Moonrise Distillery and sample several varietals of whiskey, vodka, bourbon, and of course, moonshine. According to James Magazine, “Moonrise Distillery has mastered more than just one type of liquor, all of which would be a welcome addition to your bar cart. The brand puts care into everything they create: vodka, gin, Snow Cream (a tasty vanilla cream beverage with bourbon), bourbon-whisky, rye-whisky, craft cocktails, brandy, and even barbecue sauce, jellies, preserves, pickles, and ice cream. “

Don’t forget to visit their website if you would like to book a private tour and tasting.

Head back to the inn for the complimentary wine & cheese hour (served every afternoon from 4:00-5:00).
