

“The Foodie” Sample Itinerary:

With Rabun County having been established as “The Farm to Table Capital of Georgia”, it is easy to find some of the best food in the state.

On your first night, stroll to Fortify Kitchen and Bar right here in Clayton. At this award-winning farm-to-table restaurant you can expect to find great food, delicious cocktails, and impeccable service in a casual atmosphere.

After dinner walk across the street for a fresh donut at The Farmhouse Donuts & Décor. The possibilities are endless when choosing the toppings to go on either your cake or yeast donut!

The following morning, after eating a scrumptious, complimentary breakfast at The White Birch Inn, gallivant around town and then make sure to enjoy lunch right next door at Grapes & Beans. Their menu includes fresh soups, salads, and several entrees for vegetarians and meat-eaters alike along with wholesome homemade treats.

On your second night, travel about 15 minutes up the road to enjoy more farm-to-table fare at Lake Rabun Hotel & Restaurant. Brushed with international flavors, their seasonal menus are inspired by locally grown produce and accommodate vegetarian, vegan, and gluten-free preferences. One of their most popular signature dishes is the Pecan Encrusted Mountain Trout. We highly recommend dining on the covered deck.

Before heading home, be sure to visit our sister company, White Birch Provisions. This delightful store boasts a variety of house-made bake goods, delicious specialty coffees, wine, gourmet cheeses, and so much more!
