

“Girls’ Getaway” Sample Itinerary:

Bring a group of your closest girlfriends and let your hair down! After enjoying a delicious gourmet breakfast provided by the inn, visit the shops located just steps away from our front door. Our quaint downtown area has some of the best boutiques, art galleries, shops for the nature enthusiast, antique stores, and so much more. After all that shopping, you’ll need to take a break at Fromage & Other Fine Foods located just off of Savannah Street. Be sure to try Jenny’s amazing chicken salad or fudge brownie dessert.

Head back to the inn for the complimentary wine and cheese hour. For dinner, make your reservations at Julep Farm. The Kitchen at Julep Farm features new American cuisine with a decidedly Southern twist. This restaurant focuses on seasonal cooking with high-quality, fresh ingredient, and the ambiance cannot be beaten.
